Sir:

Submitted herewith on Form PTO-1449 is a listing of documents known to Applicants and/or their attorney in compliance with the requirements of 37 C.F.R. 1.56. Copies of the documents are also being submitted.

The references submitted herewith were cited by the Korean Patent Office in an February 25, 2005 Office Action (copy enclosed) for a counterpart application. inverters, and that claim 9 is rejected based on No. 1998-71343 which discloses variation of critical values of MOS transistors for controlling a delay time so as to change delay characteristics of signals.

The Examiner is respectfully requested to initial the space adjacent to each document on the PTO-1449 form and return a copy of the PTO-1449 form to confirm that these documents have been considered by the Examiner and made of record in this application.
